

# Global Agriculture Technology Exchange (Gate) Donor Levels

We are proud to offer several recognition opportunities to honour our supporters. From naming rights for rooms and technical spaces to commemorative plaques and artwork, there are many ways to leave a lasting legacy.

All Gate donors will be recognized in perpetuity. By participating in the Gate Campaign, donors will customize their recognition and profile with diverse opportunities such as physical and digital installations and naming of spaces within Gate.

## LEGACY DONORS

| Donor Level             | Gift Range                |
|-------------------------|---------------------------|
